MUNICIPAL WASTE COLLECTION/LEAF COLLECTION/RECYCLING

NON-RESIDENTIAL REQUIREMENTS

The successful bidder for the residential municipal waste, leaf waste and recyclable service shall have the exclusive right and shall provide municipal waste, leaf waste and recyclable service to all NON-RESIDENTIAL customers within the Borough limits. NON-RESIDENTIAL customers are commercial, institutional, industrial, and municipal establishments (see contract specifications for the municipal establishments to be given free service as part of contract and not to be included in this bid sheet), and, also, included are multifamily dwelling/dwelling units (with five or more units in a structure). Items to be picked up shall include municipal solid waste, leaf waste, recyclables: glass (clear and all colors), plastics (#1 (PETE) and #2 (HDPE)), cans (aluminum, steel, tin, bi-metal), and paper (newspapers and glossy inserts, high-grade office paper, and corrugated paper/cardboard, and any clean, white, bright, colored and coated paper) (see detailed list of recyclables included herein).

Contractor must negotiate rates and billing with each and every NON-RESIDENTIAL customer separately. Any disputes which may arise over rates may be submitted to Borough Council for arbitration, which shall be binding and final.

Bills to be submitted to non-residential customers on a per month basis.

The following collection methods shall be available to non-residential customers:
