

Regular Meeting of California Borough Council, March 14, 2013, 6:30 pm

President Bittner called the meeting to order at 6:30 pm

ATTENDANCE: Mr. Alfano, Mr. Bittner, Mr. Difilippo, Mr. Encapera, Mr. Glab, Mrs. Gutosky, Mr. Mariscotti, and Mayor Durdines

ABSENT:

MOMENT OF SILENCE PLEDGE OF ALLEGIANCE

ADDITIONS OR CHANGES TO AGENDA

Mr. Difilippo – added street sweeper

Mr. Agrafiotis – added resolution 13-001

Mr. Agrafiotis – added payment of taxes for the Ruscitto property

Mr. Bittner – added contract with Unifirst - uniforms street & sewer dept.

Mr. Durdines – added hiring a full time police officer

Mr. Durdines – added Emerald Society parade this weekend

PUBLIC COMMENT

Mr. Maddiex asked if Ordinance 537 on the agenda is the amusement tax ordinance and if it is being considered for advertising. He asked how much the advertising costs were for this ordinance. Ms. Evans responded he can stop at the office tomorrow and she will look it up for him.

MINUTES

Motion by Difilippo/Alfano to approve the minutes of the Regular meeting of February 14, 2013 carried with all members present stating aye

SECRETARY'S REPORT – MS. EVANS

Ms. Evans read the accounts payable and account balances for February 2013.

Motion by Gutosky/Glab to approve the secretary/treasurer report carried with all members present stating aye.

PRESIDENT'S REPORT – MR. BITTNER

REPORT ON EXECUTIVE SESSION

Mr. Bittner stated the executive session dealt with personnel in the police department

PAYMENT REQUEST – MACKIN ENGINEERING

Motion by Glab/Difilippo to approve payment request #006 in the amount of \$7,505.71 to Mackin Engineering duly carried on a roll call vote with all members present voting yes.

Motion by Difilippo/Glab to approve payment request #007, the final payment, of \$2,720.28 to Mackin Engineering duly carried on a roll call vote with all members present voting yes.

TRI COUTNY BOROUGH ASSOCIATION ANNUAL BANQUET

Mr. Bittner announced that the Tri County Borough Association Banquet will be held on May 18th in Charleroi.

Motion by Mariscotti/Gutosky to approve placing an ad in the Tri County banquet booklet at a cost of \$50.00 duly carried on a roll call vote with all members present voting yes.

RATING BOROUGH STREETS

Mr. Bittner stated he would like permission to authorize Bill Johnson of Fayette Engineering to train the street department employees on how to rate a street & alley.

Motion by Glab/Mariscotti to authorize Fayette Engineering to train the borough's street department on rating streets duly carried on a roll call vote with all members present voting yes.

ORDINANCE #537

Motion by Glab/Difilippo to advertise Ordinance #537 duly carried on a roll call vote with Mr. Glab, Mrs. Gutosky, Mr. Bittner, Mr. Difilippo, and Mr. Encapera voting yes and Mr. Mariscotti and Mr. Alfano voting no.

AUTHORIZE SECRETARY TO ATTEND WCTCD DELEGATE MEETING

Motion by Difilippo/Glab to authorize Shirley Evans to attend the Washington County Tax Collection District delegates meeting on March 27, 2013 at 1:30 pm duly carried on a roll call vote with all members present voting yes.

UNIFIRST CONTRACT

Motion by Glab/Encapera to enter into a five (5) year contract with Unifirst Uniform service for supplying uniforms to our street department and our sewer department as part of the contract settlement cost will be approximately the same as their prior clothing allowance duly carried with all members present voting yes.

Mr. Glab added that this will be in lieu of their clothing allowance.

PUBLIC HOUSING – MR. ALFANO

SUPPORT OF EARTH DAY

Mr. Alfano introduced Katherine Salvatore from the River Town program and Cal U and who is coordinating earth day program. Ms. Salvatore passed around literature to council outlining proposed walking trails and a map of proposed areas that they will do clean up. She stated that she is working in conjunction with Kelsey from Cal U who is also an AmeriCorps member and they are coordinating a community clean up comprised of students of the University and some volunteers from the community and surrounding areas. The event date is set for Monday, April, 22, 2013 with a rain date of Wednesday, April 24th and if it rains on both of those days we will look at rescheduling for another time. They would like to expand the availability of trash receptacles throughout the borough in addition to planters around the borough being updated or added to provide for planting for seasonal and year round plantings. This event will be registered through the Great American Clean –Up which will provide us with safety vests, gloves, and other items needed for clean-up that day. If it is registered and they work with PennDOT they will come and pick up the trash so the borough doesn't need to worry about that. She stated that she is looking for council's approval, council's permission to be on properties, council's thoughts on more trash receptacles, and any additional projects council may be interested the group doing on that day. Mr. Alfano asked what she needed from council tonight. She asked if council would be willing to provide more trash receptacles or could they go out and ask for donations specifically for Wyatt Park. She stated the other map provided to council is a map that was prepared a few years ago for hiking/walking trails and what she needs at this point is authorization to mark the trails by signage or painting something on the ground to indicate this is an approved walking trail. She asked if council would be willing to purchase more trash receptacles and/or recycling containers and planters and if so would council prefer they use a specific vendor. Mr. Bittner stated we would have to ascertain the price of what these things costs and then bring it back to council at the next meeting for a vote. Mr. Alfano asked her to generate a list of what is needed. She stated that is on the legend of one of the handouts.

Motion by Alfano/Mariscotti to support the Earth Day Project duly carried with all members present stating aye.

PIKE RUN YOUTH FISHING FESTIVAL

Mr. Alfano introduced Aaron & Candace from California University. They are sponsoring the Pike Run Youth Fishing Festival at Rotary Park and would like the Borough to supply the dumpster and port-a-john the week before the festival takes place so they can clean up the park before the festival. It will be on April 20th from 7:00 am to 3:00 pm.

A motion was made by Alfano to provide a dumpster and port-a-johns for the fishing festivals for a week or so. Mr. Bittner stated we can go ahead and pass that tonight but County Hauling usually provides the dumpster for us. Mr. Alfano stated there will probably be a cost for the port-a-johns. Mr. Bittner asked for a second to that motion. Mr. Difilippo seconded the motion. Mr. Mariscotti asked if one port-a-john is enough. She asked if they could provide one regular and one handicapped port-a-john. Mr. Alfano stated okay. Mr. Bittner stated the recreation authority usually takes care of that. Mr. Alfano stated yes the recreation will take care of that.

Motion by Alfano/Difilippo to provide a dumpster and port-a-johns for the fishing festivals for a week or so duly carried on a roll call vote with all members present voting yes. Mr. Bittner stated Shirley will contact County Hauling. Mr. Alfano stated Amelia will handle the port-a-johns.

RECREATION AUTHORITY MEMBERS

Motion by Alfano/Gutosky to appoint Rachel Roberts to the Recreation Authority board to finish the unexpired term of Beth Baxter which will expire Dec. 31, 2016 carried with all members present stating aye.

Motion by Mariscotti/Difilippo to renew the term of Pat Alfano to the Recreation Authority with a term to expire on Dec. 31, 2015 carried with all members present stating aye.

Motion by Alfano/Difilippo to appoint Joe Morosky to a second term on the Recreation Authority with a term to expire Dec. 31, 2016 carried with all members present stating aye.

Motion by Alfano/Mariscotti to appoint Jennifer Yeardie to a second term on the Recreation Authority with a term to expire on Dec. 31, 2017 carried with all members present stating aye.

Motion by Alfano/Difilippo to appoint Amelia Mitchell to a second term on the Recreation Authority with a term to expire on Dec. 31, 2017 carried with all members present stating aye.

LOOP TRAIL UPDATE

Mr. Alfano read a letter from the Pennsylvania Environmental council committing matching funds of \$10,000.00 towards the design and development of the Project 70 park land and the connector trail. He stated that is great that we now have \$10,000.00 toward the match. He stated that the consultants they hired will be here for a meeting on Monday night and they will try to come up with a project for the project grant. He stated everything they are looking at for grants is through the DCNR, a C2P2 grant and are pretty much 50/50 matches. He stated it is pretty ridiculous to even go through the motion of matching a \$20,000.00 grant. He knows the recreation authority is prepared to commit as much as \$30,000.00 toward this match grant and he would like to ask council to commit a portion of money towards this grant. He has been told several times in the past that a joint effort is looked much more favorably upon when securing a project grant. He asked council to consider a pledge of \$20,000.00 - \$30,000.00 then they could possibly leverage a \$100,000.00 to a \$120,000.00 project. Mr. Bittner asked if this was the same thing from a couple months ago. Mr. Alfano stated no council committed to an additional \$5,000.00 if needed to cover cost of master site plan. That has not been spent yet and he's not sure if that will be spent or not. He's guessing that Rotary Park will be the first part of this project. Mr. Bittner stated he sees \$81,000.00 in the Gaming Revenue funds and he thinks in the past the spirit of that money is to be used on things like this. Mr. Alfano asked council what they feel would be an appropriate amount to pledge, he added that the recreation authority is prepared to commit \$30,000.00 plus they have \$10,000.00 from the Pennsylvania Environmental council so that is \$40,000.00 plus they can leverage in kind service toward that match as well.

A motion was made by Alfano/Encapera to pledge \$30,000.00 to the proposed loop trail and park project for a matching grant fund. Mr. Glab asked if this is leverage money or matching money it will only be expended if we get the grant. Mr. Alfano stated that is correct. Mr. Glab asked what the time line is. Mr. Alfano stated that application deadline is April of 2013 and will be awarded in September of 2013 for a project to begin in 2014. Mr. Glab stated so we will know by the end of the year if we are responsible for that.

Motion by Alfano/Encapera to pledge \$30,000.00 to the proposed loop trail and park project for a matching grant fund duly carried on a roll call vote with all members present voting yes.

ROTARY PARK CLOCK PROJECT

Mr. Alfano stated that we have a request from the Rotary club. They have a benefactor who has pledged a donation of \$16,000.00 to have a Verdin clock placed at Rotary Park. He stated it will be similar to the clock we have out here, about 10'10" tall and they are asking council to participate in their project by having the criteria done in the letter submitted at the committee meeting including, off-loading & safe storage of clock until installation, removal of debris for installation, cranes, lifts or hoists needed to move or install the clock at the job site, necessary electrical wiring, permitting or engineering needed, and footer and foundation preparation and installation.

Motion by Alfano/Encapera to participate in the Rotary Club Clock Project in accordance with the requirements in Rotary's letter of request dated March 6, 2013 duly carried on a roll call vote with all members present voting yes.

Mr. Bittner stated once we get the exact costs of items needed we can bring them back to council for a vote on those expenditures.

CODE ENFORCEMENT UPDATE

Mr. Alfano gave a quick report on the activities happening in the Zoning office with a total income for the year of \$11,900.00.

ORLANDI SUBDIVISION

Motion by Alfano/Mariscotti to approve the Orlandi/Yankura subdivision contingent on the change noted in Fayette Engineering's letter dated March 13, 2013 duly carried on a roll call vote with all members present voting yes.

KONAT SITE PLAN

Motion by Alfano/Difilippo to approve the Konat Site Plan for 511 Fifth Street adding 4 more parking spaces to an existing 21 spaces per the review of the Planning commission on March 5, 2013 who recommends approval of the (4) four additional parking spaces noted on the plan dated Feb. 28, 2013 duly carried on a roll call vote with all members present voting yes.

ZONING HEARING BOARD ALTERNATE

Motion by Alfano/Difilippo to appoint John Uhaul of Knob Road as an alternate on the Zoning Hearing Board duly carried on a roll call vote with all members present voting yes.

PUBLIC WORKS – MR. MARISCOTTI

GRASSCUTTER

Motion by Mariscotti/Glab to bring back the grass cutter effective April 1, 2013 at the rate approved on the 2013 salary schedule duly carried on a roll call vote with all members present voting yes.

PURCHASE OF 550 DUMP TRUCK

Mr. Mariscotti stated he has secured a bid for a new 2013 Ford 550 super duty 4x4, regular cab with a dump through the costar program and that will have a salt spreader and a plow. That estimate came in at \$70,482.00. He would like to purchase this and secure a three year payment plan on this. Mr. Alfano stated so it is a set payment for three years in a row. Mr. Bittner asked what Ford Dealer is that through. Mr. Mariscotti stated through Tri Star. Mr. Difilippo asked if have to get more bids and Mr. Mariscotti stated not when going through costars vendor.

Motion by Mariscotti/Alfano to purchase from Tri Star a new 2013 Ford 550 Super Duty 4 x4 , regular cap with a dump, salt spreader and plow for \$70,482.00 to be paid in three annual payments duly carried with all members present voting yes.

PUBLIC SAFETY – MR. GLAB & MR. ENCAPERA

Mr. Glab stated they are deferring to the Mayor's report

FINANCE – MRS. GUTOSKY

Motion by Gutosky/Glab to pay the bills as presented duly carried on a roll call vote with all members present voting yes.

PUBLIC HEALTH – MR. DIFILIPPO

HIGH POINT SEWER PROJECT

Mr. Difilippo asked council for a good day for a meeting with the residents of Highpoint. Council came up with the meeting day of April 3, 2013 at 6:00 at the Municipal building. Mr. Difilippo stated John Petro has provided him the names of all residents and he will give those to Lori to get the letters done. This is an informational meeting only and the engineers will provide maps, literature, and hopefully a representative from Pennsylvania American Water for the meeting.

DELINQUENT SEWER ACCOUNTS

Mr. Difilippo stated we will not shut off anyone's water until May 1st which gives them enough time to get paid up. Any delinquent amounts including late charges, fees, etc. will not be waived they must be paid. We have permitted some hardship cases to go on a payment plan and they must have thought that plan meant pay when you feel like it. There were 13 people on payment plans now and only 4 of those are paying regularly as agreed upon. The other ones are in the group to be shut off on May 1st. It is ongoing and it's the same people so this is it.

STREET SWEEPER

Mr. Difilippo stated he and Mr. Mariscotti are looking into purchasing a new street sweeper and he is going to get bids on renting one for a week probably a week in the end of April to get the streets in town all cleaned up.

ST. BALDERICKS EVENT

Mr. Difilippo announced that tomorrow evening a group from the St. Baldericks foundation, a group that benefits children cancer, will be shaving 30 heads at J. Coles at 6:00 pm. Mr. Bittner added that Mr. Difilippo is one of the volunteers to be shaved.

PERSONNEL – MR. ENCAPERA & MR. GLAB HIRE FULL TIME OFFICER

Motion by Encapera/Alfano to hire Scott VanDivner as a full time police officer per the bargaining agreement duly carried on a roll call vote with all members present voting yes.

MAYOR'S REPORT – MR. DURDINES

Mayor Durdines thanked council for hiring Officer Van Divner

ACT 180 UPDATES TRAINING

Mr. Durdines stated that a few of the officers need the 180 update training and the cost is \$415.80. The officers that work for the University will be paid for by the University.

Motion by Difilippo/Encapera to approve the Act 180 Update Training at a total cost of \$415.80 duly carried on a roll call vote with all members present voting yes.

THIRD ANNUAL ST. PATRICKS DAY PARADE

Mr. Durdines announced the 3rd annual St. Patrick's Day parade hosted by the Southwestern Emerald Society, California's 1st annual. Line-up is at 10:30 am and the parade will begin at 12:00 pm. The streets will be closed the police department has been posting the street closure notices. There will be a small Irish festival following at the borough parking lot at the end of Green St.

ENGINEERS REPORT – BILL JOHNSON

COLUMBIA GAS PROJECT

Mr. Johnson stated that they had a meeting with Columbia Gas on a project they will begin in late May from Mechanic St. to Union and First St. to Fourth St. There has been a number of gas leaks down there and all of their pipe in that neighborhood will be replaced with new plastic pipe.

GRANVILLE PUMP STATION PROJECT

Mr. Johnson stated that on Monday the inspection that they wanted to do relating to pump #1 and he has notified the sales representative at Ram Industrial that they can come in and do any additional testing they needed to do at no additional cost to the borough. He has not received their schedule back but as soon as he does will let Doug and Ron know when they will be on site.

SEWER PLANT PROJECT

Mr. Johnson stated they are starting to get the equipment agreements back in and he expects to have them all by the end of next week at which time Mr. Bittner can execute those so we can proceed with the acquisition of that equipment.

PART II PERMITS

Mr. Johnson stated the two comments that were on the DEP's review have been addressed and resubmitted on February 21st and he is waiting on final review and the permit.

NPDES PERMIT

Mr. Johnson stated the NPDES permit which you know allows you to run that sewage plant has been revised and resubmitted to DEP on February 15th. We will probably get that back before the Part II permit.

PEACH ALLEY SANITARY SEWER REMEDIATION PROJECT

Mr. Johnson stated we mentioned at last month's meeting that we revised the alignment of that line to parallel Third Street and turn down Liberty Street to a connection at First Street. That will require additional Highway Occupancy permit from PennDOT. He took a brief look at the catch basins that were talked about at the committee meeting and we just may have some maintenance issues there and will incorporate that with the Peach alley remediation as well. They are on schedule to bid the project the end of this month and begin the project in May.

PENNVEST LOAN

Mr. Johnson stated that the final inspection was conducted with the department's representative this morning and no issues were noted. They have a couple of documents they want prior to finalizing the documents which should be completed in the next week and then we will be able to final the pennvest loan.

FAYETTE ENGINEERING PAYMENT REQUEST

Mr. Bittner stated we approved an amount for Fayette Engineering on the Peach alley remediation and one invoice has come in and he would like to approve payment of that tonight.

Motion by Alfano/Glab to approve payment of the invoice from Fayette Engineering on the Peach alley remediation project duly carried on a roll call vote with all members present voting yes.

SOLICITOR'S REPORT – MR. MELENYZER & MR. AGRAFIOTIS RESOLUTION 13-001

Mr. Agrafiotis stated they were authorized a few months ago to prepare a resolution outlining procedures and fees for vacating or opening streets. Under the borough code there can be two ways, one of which is a person can come in and make application and the other is when council makes a motion to open or vacate a street. The fee is \$650.00.

Motion by Glab/Difilippo to adopt Resolution 13-001 duly carried on a roll call vote with all members present voting yes.

RUSCITTO PROPERTY- COUNTY TAXES

Mr. Agrafiotis stated on the Ruscitto property there had been a motion made at one time if we could get the property we would pay the outstanding county taxes and waive our borough taxes. He stated that the county taxes total \$930.54.

Motion by Difilippo/Mariscotti to pay the county taxes on the Ruscitto property in the amount of \$930.54 duly carried on a roll call vote with all members present voting yes.

Mr. Agrafiotis stated the school taxes are due to and Mr. Bittner is handling getting those figures.

OLD BUSINESS

No old business at this time

NEW BUSINESS

No new business at this time

RECOGNITION OF CITIZENS

DEBBIE BURNFIELD

Ms. Burnfield thanked council for giving her the opportunity to speak. She stated her son was Nathan who was killed on interstate 70. She has a non-profit organization for Nathan we donate

things to police departments and scholarships out of the non-profit. One of the things her family did was moved to Florida and purchase a canine dog for the Cape Coral Police Department. She stated they purchased the dog with the understanding that the dog would be trained and used on the force. We paid for it as a grant and one of the stipulations of that grant was who gets the dog when the dog is finished. The family discussed it and had no use for the dog and believe that the dog should remain with the trainer and handler who has raised it and trained. She is here on behalf of Tracy Vitale and has watched Tracy train Argo and council should go just once to watch the K9's being trained with their handlers. She goes every Tuesday night and watches the training for the K9's and she said it is liking watching fathers with their sons. The commitment the dogs give their handlers is amazing. Argo would literally die if he was taken from Tracy because he is so attached to her. She stated that when Tracy leaves Argo in her care to do errands he gets sick, he vomits, and has diarrhea. It is like losing somebody in your family. She stated that she cannot believe that council is targeting that dog and if council just wants money she has a check with her tonight and she will be more than happy to pay council for the dog. The dog was purchased with a grant. The federal government does not want this dog back for no reason at all. It was purchased with a grant, not council's money not the taxpayer's money.

KEN POTE MRA

Mr. Potemra introduced himself as Tracy Vitale's dad and asked council to end this fiasco. He stated that during the immigration status council went after here because of here say. None of you council every had the decency to ask him what happened, not one of you. You listened to the stupid paper that was going around because somebody started a witch hunt. If this is all about money let this lady pay you for the dog. All he wants is the decency to get this over with as fast they can so both sides can walk away with their heads held high. Just let it go she has had enough. When she was in the hospital having her surgery nobody from California borough called, sent a card, or even asked how she was doing. Nobody cared and she was just a number.

JIM KUSAK

Mr. Kusak stated he is here tonight in support of Tracy. He has been a police officer for 20 years and he worked hand in hand with Tracy under the Washington County DA's Drug Task Force. I've trusted my life to her and her life to mine. He thanked council for the opportunity to speak to council and ask them to leave Argo with her. He stated it is hard when police officers are injured and cannot do their jobs. He's seen what it takes to raise and train these dogs. Differences occur between employees and employers all the time but he is here because Tracy and Argo have a special bond and it would cost more money to retrain the dog with a new handler.

JIM MADDIEX

Mr. Maddiex asked if the street sweeper cleanup will be borough wide. He asked about the agility program and if it still exists. He said if it does then do all the streets and not just the borough streets, but do the state roads also. He suggested council talk to Mr. Filoni about the trash receptacles so he can incorporate it into the master plan..

MRS. SEARS

Mrs. Sears thanked council for their support in the Rotary's Clock project

KATHERINE SALVATORE

She stated that the AmeriCorps team and Triple C team are only here until the end of the month and since they told her to use them how would the borough like the trails marked. Would the borough be able to provide paint. Mr. Alfano stated he doesn't see why not we have highway paint down there but you will need to come up with a template to use. He suggested using different colors for each trail. Ms. Salvatore asked which trails council would like to see implemented. Mr. Alfano stated there is no preference but the business employees downtown would like to walk on their lunches or breaks so if there is a flat level trail that would be a definite first choice. She asked if the trash cans would be able to be approved before the 22nd and before the next meeting. Mr. Bittner stated probably not because we have to price it out first and then bring it back for a vote at a public meeting. Mr. Bittner asked Mr. Mariscotti to work on them with the paint and things since Jeff will be off for a couple more weeks.

KEITH MELENYZER

Mr. Melenyzer stated he did talk to Tracy's attorney a couple of different times indicating that she has to return the borough property that she has in her possession. That has never been done

and he talked to her attorney about it. She filed an unemployment claim; she settled with the State Workmen's compensation insurance company and stated on the record in front of an administrative law judge that she was going to resign her position upon receipt of her settlement money. She was given the money and she signed and gave this council a resignation letter. You can't get unemployment if you resign. You can't make a commitment to an administrative law judge and then change it. These things have nothing to do with Argo. There were comments made by her attorney that there would be potential claims under the Garcia case. The Garcia case basically relates to dogs where you are given ample opportunity to train the dog, house the dog, feed the dog, be with the dog and take care of the dog. When he inquired about that he was advised that she was given one day off a week paid for 5 (40 hrs.) 1 day off to take care of the dog. If he is wrong then someone needs to correct it. He stated when you start talking about claims against this borough, that is his job. It is his job to take care of those claims and he advised her attorney and is shocked what has happened here tonight, not that they want her to have the dog, but the fact that he just spoke to her attorney today and said lets work out these issues, but if she wants to go to war we'll go to war, not because we want to. You can sit out there and think this council is mean, vicious, and vindictive and that is the impression he is getting but there are some problems with this and these problems have to be resolved and that is his recommendation to council and that is his responsibility to everyone in this borough, that he protects from a legal stand point this municipality. She was advised through her attorney that the dog was valued by the person who sold the dog to the borough. That was it then we had this potential litigation, that potential litigation, keys not returned, property not returned and there is no excuse for that. He was coming back to the borough originally to try and work everything out before all this with her attorney coming into the picture and that is when we got the unemployment claim. He can't believe somebody did that. A member of the audience stated her first attorney told her to file that claim and she has since, through her second attorney, withdrawn that claim. Mr. Melenyzer stated he talked to her attorney and if she signs a release regarding the Garcia case then he will talk to council. Mr. Proterma stated that one day off she got was spent training Argo because she used his car to take the dog to training. Mr. Melenyzer stated that is what the Garcia law says if you don't get time off then you are entitled to additional compensation. Mr. Melenyzer stated he thought when he came here tonight that this was getting done but evidently not and you can disagree with him all you want but his job is to protect the borough.

RAY PECUCH

Mr. Pecuch stated that he lives in California years, 65years now and he would like to register a formal complaint against our Police Chief, Richard Encapera. He asked if this was the proper procedure. Mr. Melenyzer stated you are already standing up there speaking and he would have preferred a letter outlining what he was going to say. Mr. Pecuch stated that he was involved in a traffic accident on Liberty St. with very minimal damage to both vehicles. Mr. Pecuch read his documentation of his version of the story and then Chief Encapera started giving his version of the story and stated it is his word against another and was told to turn it over to their insurance companies and let them decide. Mr. Pecuch started yelling and meeting was adjourned.

ADJOURNMENT

Motion by Mariscotti/Difilippo to adjourn the meeting at 8:45 carried with all members present stating aye.
