Motion by Mariscotti/Maddiex to advertise for civil service testing duly carried on a roll call vote with all members present voting yes.

Deadline for applications is two weeks.

**Public Health – Mr. Mariscotti**

Mr. Mariscotti explained that we had previously ordered a server and two computers for the sewer department. The computers are in but the server has not been delivered yet. It seems that it's a run of the mill server that everyone orders so it is backlogged and no ship date available. However, if we go with the higher end server for an extra \$800.00 we can get it in two weeks.

Motion by Mariscotti/Glab to order higher end server for sewer department duly carried on a roll call vote with all members present voting yes.
